

[Ana Conceição](#) is a Professor of Accounting at the ISCTE – University Institute of Lisbon (ISCTE-IUL).

Ana Conceição obtained her PhD in Accounting from ISCTE Business School.

*Ana is an early career academic with 25 years military experience before joining academia. She sees her unique background (one of the first women to undergo training in the Portuguese Navy school) as aligned with the EAA's DEIC mission and has working knowledge of Portugal. Her area of research and teaching is management accounting.*
