

[Domenico Campa](#) is a Full Professor of Accounting at the International University of Monaco.

Domenico Campa obtained his PhD in Accounting from University College of Cork, Ireland.

*Domenico has international experience working in several countries (Italy, Ireland, France). He sees the DEIC as an opportunity to collaborate, develop and implement DEI initiatives with real impact on diversity and inclusion in the EAA aimed at removing barriers that prevent colleagues from developing areas to benefit of academic resources that would be important for their professional development. He brings a Western Europe affiliation insight to the DEIC.*
