

[Partha S Mohapatra](#) is Associate Professor at the California State University-Sacramento.

Partha S Mohapatra obtained his PhD in Accounting from University of Kentucky, USA.

*With a rich background spanning teaching in several countries including in the UAE, and in Historically Black Colleges and University (HBCU) in the USA, and personal experience as a wheelchair user, Partha brings a unique and multifaceted perspective to Diversity, Equity, and Inclusion. He has served as a faculty diversity fellow at his university, fostering diversity in faculty recruitment. In addition to his research in machine learning and auditing issues, Partha is also working on projects related to challenges for the disabled among accounting students and in academia in general. By advocating for inclusive policies and creating supportive environments, Partha aims to ensure equitable opportunities for all, thus driving the EAA's commitment to a truly diverse and inclusive environment.*
