FACULTY POSITION

IÉSEG School of Management at the Catholic University of Lille invites applications for a full-time permanent position in Accounting with a specialization in **FINANCIAL ACCOUNTING /AUDITING** at all levels (Assistant/Associate/Full) affiliated to the Department of Accounting. The appointment is expected to start in **September 2024 (or earlier) in Paris or Lille.**

ABOUT IÉSEG SCHOOL OF MANAGEMENT

IÉSEG holds the “triple crown” of international accreditations (AACSB, AMBA & EQUIS) and is a member of the “Conférence des Grandes Écoles”. The School offers Bachelor, Master and Post-Graduate Degrees as well as Executive Education programs. IÉSEG is also one of the leading French business schools in terms of research. The IÉSEG Research Center is accredited by the French CNRS (National Center for Scientific Research). Our Lille Campus is in the heart of Northern France (within the triangle made up by London, Paris and Brussels), and our Paris Campus is located in the biggest European business district of “La Défense”. More information on the school can be found here: www.ieseg.fr/en

ABOUT THE ACCOUNTING GROUP

The department consists of 25+ academic staff members in the areas of Financial Accounting, Taxation and Management Control and faculty are represented on both campuses. Faculty members specializing in Financial Accounting have been successful in publishing their research papers in top-tier refereed international journals in areas of (amongst others): international accounting standards; accounting for intangibles; reporting quality in public and private firms; transfer pricing and income shifting; governance and financial reporting; corporate social responsibility.

The School provides ample resources to support a variety of both research interests and methods, and has comparative advantage in promoting cross-disciplinary research that is quintessential for the modern business world. The school is supportive for conducting an innovative research agenda that is relevant for both theoretical substance as well as practical business insights. In addition, the school also subscribes to several public data providers such as WRDS, Thomson Reuters Eikon, DataStream and Bloomberg among others. IESEG has built an excellent network with overseas institutions for collaborative work and exchanges. We offer a competitive salary, supportive research support, and housing assistance for international applicants. IESEG recognizes that a diverse faculty enriches the educational experience of the entire School and its stakeholder community.

ABOUT THE POSITION

Research will be a strong focus of the selected candidate as he/she/they will contribute to the vibrant research community at IESEG through their commitment to research excellence. He/she/they is therefore expected to hold a PhD, have a strong publication record (or potential for Assistant Professors) in top-tier refereed journals listed in AJG, as well as a good international network.

In terms of teaching, the selected candidate will teach courses in XXXXXXXXX at the undergraduate, graduate and/or postgraduate level. In addition, he/she/they will contribute to the development of the Department’s programs. As such, we are looking for candidates with strong teaching skills, and who are fluent in English, as most courses are taught in this language. Professional experience and knowledge of French are a plus, but not a requirement.

Finally, we are looking for candidates who embody our core values of Accomplishment, Responsibility, Integrity, Solidarity, and Engagement, and fit our diverse and international culture

in which 50 nationalities are represented. IÉSEG places great value on diversity and inclusion, and we therefore encourage applications from all backgrounds. Underrepresented groups in academia (notably women, minority ethnic groups, people identifying as LGBTQIA+, people with a (non-) visible disability, and people from lower socio-economic backgrounds and/or economically developing countries) are particularly encouraged to apply, as we are highly committed to ensuring that IÉSEG reflects and benefits from the diversity present in society.

WORKING AT IÉSEG

At IÉSEG, we are committed to providing a supportive and engaging work environment. To new faculty members (and their partner), we offer a wide range of resources to help them integrate into the country, culture and school, such as individualized French language courses, a relocation allowance, and housing search assistance. Moreover, all faculty members have access to a competitive salary, as well as benefits such as French social security, a complementary health insurance, meal vouchers, a profit-sharing plan, and a contributory pension scheme. Finally, the school actively promotes research, provides resources for active scholars (e.g., funding for conferences and data collection) and offers competitive financial bonuses for high quality international peer-reviewed research publications.
