WINE BAR

Reunited in taste

THE GREAT HILL *expérience*

The Great Hill Wine Bar is the first concept that puts together the greatest wine producers from the vineyard area of Dealu Mare.

Reunited by the passion of wine and the desire to deliver wines that meets the needs of its local clients and simplify the creation of their wine choice list, the owners of local wineries in Dealu Mare joined forces and brought in the heart of Bucharest a part of the spirit and tradition from the most important vineyard area in Romania - DEALU MARE.

The place where you drink your wine is a place that should have the power to transpose you into a novel atmosphere and create a harmony of senses.

The Great Hill is a wine club that reunites the true meaning of a social community, gathering and embracing several concepts of interest.
