2nd Call for Papers
The Tenth EARNet Symposium
hosted by
University of Parma (Italy)
September 6th & 7th, 2019
Preceding Ph.D. Workshop September 5th, 2019

The European Auditing Research Network, EARNet, founded in 2000, intends to foster research and exchange ideas among auditing scholars and researchers in Europe. Its primary objective is to promote European auditing research, including supporting auditing researchers in their early career. EARNet also aims to contribute to European policy-making in the auditing area.

The tenth European Auditing Research Network Symposium will be held on September 6th and 7th, 2019 in Parma, Italy. The Symposium is established as a major event in Europe for presentation and discussion of auditing research papers. It also provides a forum for academics, practitioners, policy-makers and standard-setters to discuss auditing research and current issues in the auditing environment. The Symposium includes parallel sessions of presentation and discussion of research papers, a plenary panel session and a keynote speech. The **keynote speech** will be given by Philip Wallage (University of Amsterdam). The Symposium's **panel session** will focus on "Audits in a digitalized world – What's new?". There will be a best paper award.

All paper submissions must be in Word Format, anonymous, and accompanied by a separate Cover Page with author information.

A Ph.D. Workshop will precede the symposium on Thursday, September 5th, 2019. The Ph.D. Workshop aims to promote high quality auditing research among young European researchers. Feedback on accepted Ph.D. proposals or Ph.D. related papers is provided by experienced international scholars in auditing research. **Papers can only be submitted either to the Symposium or to the Ph.D. Workshop!**

Deadline for submission of papers to the Symposium and papers/proposals to the Ph.D. Workshop is **March 31st 2019**. All authors will be notified of acceptance by **June 1st 2019**.

The Conference Fee of 300 € (Early Bird Registration until July 15th, 2019) and 350 € (Registration from July 16th, 2019 until August 30th, 2019) respectively, includes coffee breaks, lunches, opening reception, and the conference dinner. Students whose paper is accepted for plenary presentation in the Ph.D. workshop get a conference fee waiver. The Ph.D. workshop itself is free of cost.

Additional information will be posted on the conference website: www.earnnet2019.unipr.it.
