

Second Call for Papers

International Conference

“Future Directions in Accounting and Finance Education”

with a special issue of the ***Journal of Accounting Education***

Moscow, Russia, 27-28 May, 2019

Submit a structured abstract or your paper before Tuesday, 5th March 2019 to:
acceducationgqe@gmail.com.

Papers may be either full papers or emerging ideas papers.

Organiser: The Financial University under the Government of Russian Federation,
<http://www.fa.ru/org/dep/uaa/News/2019-01-31-310120191.aspx>

The guest editors of the Special Issue are:

Anna Vysotskaya (Southern Federal University, Russia)

Berend van der Kolk (IE Business School, IE University, Spain)

Keynote Speakers

Professor Natalie Tatiana Churyk, the William F. Doyle Endowed Professor of Accountancy at Northern Illinois University (NIU), Editor-in-Chief of the *Journal of Accounting Education*

Professor Alan Sangster, Professor of Accounting, Chair of Accounting History, Aberdeen University

Professor Gregory Neil Stoner, Professor of Accounting, University of Glasgow, Editor of the *Accounting Education*

Please make sure that no author information is disclosed in the submitted Word document, and that author and co-author contact information is provided in the email. Submitted papers will be subject to a regular double blind peer review process.

Conference acceptance/presentation does not guarantee publication in the special issue of *Journal of Accounting Education*.

Key Dates

5 March 2019 --> Paper pre-submission deadline

20 March 2019 --> Notification to participants about papers' acceptance for conference

01 April 2019 --> Deadline for early registration of authors of accepted conference papers

15 April 2019 --> Deadline for registration of conference participants

Submissions to the Journal are separate from the conference. Subject to editorial review and approval, accepted manuscripts will be published in a Special Issue of the *Journal of Accounting Education* (<http://www.journals.elsevier.com/journal-of-accounting-education>).

Submissions, open to conference attendees only, for the special issue should be made electronically through web-site of the journal starting 28 May 2019. The deadline for the final journal submissions is 1 November 2019. Details will follow.
