Fundación Ramón Areces, June 24-28, 2019

### **Objective and Introduction**

The Symposium is addressed to PhD students, early stage faculty and researchers in Accounting and Finance. It represents a unique opportunity to attend lectures by expert faculty, and also, to interact with colleagues and receive feedback both on developed (papers) and developing projects (early stage ideas).

### **Presentations by participants**

Participants are invited to present their papers or ideas, particularly, on topics linked to the areas discussed by the Faculty. All participants are thus encouraged to submit their own research for presentation at the symposium. Papers linked to the areas discussed by the speakers and by early stage researchers will be given preference. There will be two sessions dedicated to participants' presentations, both chaired by Prof. William Rees. These sessions will be attended by diverse Faculty from the Symposium as well as from both UAM and UC3M.
