

PROGRAMME

PREPARATORY WORK ON EU NON-FINANCIAL REPORTING STANDARDS

EUROPEAN ORGANISATIONS AND OTHER EUROPEAN COUNTRIES FOCUS

 15 January 2021 – 14:30 to 17:30

 [Online public webinar](#)

The Project Task Force on preparatory work for the elaboration of possible EU non-financial reporting standards (PTF-NFRS) of the [European Lab @EFRAG](#) invites you to an online outreach event for collecting views of stakeholders from European organisations and

European countries other than those where country/region specific webinars are taking place, on the tentative proposals of the PTF-NFRS to the European Commission.

14:30 - 14:35 Welcome: **Jean-Paul Gauzès**, EFRAG Board President, Chair European Lab Steering Group

14:35 - 14:45 Introduction and setting of the scene: **Patrick de Cambourg**, Chair PTF-NFRS

14:45 – 17:20 Roundtable discussions - Themes:

- Organising robust and coherent standard-setting foundations for EU Sustainability Standards
 - Including SMEs in the EU sustainability reporting landscape in proportionate manner
- EU Sustainability Standards operational standard-setting guidelines
 - Including double materiality assessment
- Elaborating EU Sustainability Standards architecture
 - Including general, sector specific and entity specific
- EU Sustainability Standards reporting structure
 - Including interconnection and reporting taxonomy
- EU Sustainability Standards: a coherent first set of disclosures - what should be the priorities?

Introduction of the themes: **Piotr Biernacki**, member PTF-NFRS
Moderator: **Patrick de Cambourg**, Chair PTF-NFRS

Roundtable Participants:

The roundtable participants have been suggested by European and national organisations but they are not presenting the views of those organisations given the short timeframe between the publication of the outreach document and the roundtable discussion.
