

SAVE THE DATE

PREPARATORY WORK ON EU NON-FINANCIAL REPORTING STANDARDS

A EUROPEAN TOUR

 13 to 22 January 2021

 Online public webinars

The Project Task Force on non-financial reporting standards ([PTF-NFRS](#)) of the [European Lab @EFRAG](#) invites you to a series of online outreach events to take place between 13 and 22 January 2021, for collecting the views of stakeholders from different countries on the tentative proposals of the PTF-NFRS on possible EU non-financial reporting standards. The programme of each webinar will be published in the beginning of January and the outreach document around 8 January.

SAVE THE DATE FOR OUR OUTREACH EVENTS

In June 2020, the European Commission issued a [request for technical advice](#) mandating EFRAG to undertake preparatory work for the elaboration of possible EU non-financial reporting standards in a revised Non-Financial Reporting Directive.

The objective of the online events, planned between **13 and 22 January 2021**, is to gather views from European stakeholders on the tentative proposals of the PTF-NFRS to the European Commission. The programme of each online event will be published in the beginning of January and the outreach document around 8 January.

The events will be public online webinars with speakers from the public sector, the private sector, SMEs and civil society from across Europe. Audience participation will be possible through polling questions and written Q&A. The webinars will be held in different languages.

Each webinar has a specific focus. The available places for each webinar are limited, and, if necessary, registrations will be prioritised based on the focus of the webinar concerned.
