

Second CALL

13th CSEAR Spain Conference

XIII Reunión de Investigación en Contabilidad Social y Medioambiental

September 8th – 10th, 2021
Universidad de Burgos – Spain

Since 1997, the Centro de Investigación en Contabilidad Social y Medioambiental (CICSMA) <http://www.upo.es/cicsma/> and the Centre for Social and Environmental Accounting Research (CSEAR) <https://www.st-andrews.ac.uk/csear/> support the bi-annual Spanish Conference on Social and Environmental Accounting Research.

The **13th CSEAR Spain Conference (XIII Reunión en Contabilidad Social y Medioambiental)** will be held between **September 8th – 10th, 2021**. Due to the current COVID pandemic, the conference will be held **online**.

The purpose of the Conference is to provide a forum for the promotion of research in social and environmental accounting. To this aim, the Conference will offer the opportunity to present emerging research projects and academic papers in a further developed stage for their discussion and improvement. The approach of the conference is interdisciplinary and focuses on a high level of interaction and debate in a friendly and supportive environment.

For this 13th CSEAR Spain Conference, we are pleased to welcome **Prof. Matias Laine**, University of Tampere, as our plenary academic speaker, and **Dr. José María López Jiménez**, CSR manager at Unicaja Banco, as our plenary practitioner speaker.

Submissions are welcome in **either Spanish or English**.
