

Call for Papers

2025 Experimental Research in Management Accounting Conference

co-funded by the Chartered Institute of Management Accountants (CIMA)

University of Bayreuth, Germany, 03–04 July 2025

AIMS AND SCOPE

The Experimental Research in Management Accounting (EXRIMA) Conference aims at bringing together experimental researchers in the field of management accounting from all over the world. The conference focus on a single research method and a single subject results in highly valuable feedback. A limited number of papers is accepted for presentation to allow for in-depth discussion by the discussant assigned to each paper as well as sufficient room for interaction with the audience. The conference atmosphere also supports networking.

VENUE

The 2025 EXRIMA Conference will be held at the University of Bayreuth, Universitätsstraße 30, 95447 Bayreuth, Germany. Bayreuth is located around one hour away from Nuremberg and can be reached from Nuremberg Airport, Munich Airport, or Frankfurt Airport by car or public transportation.

SUBMISSION & REGISTRATION

The conference organizers are open to all experiment-based studies within the broad area of management accounting, including (but not limited to) the following topics: cost accounting, budgeting, cost management, performance measurement, governance, organizational controls, incentives and compensation, etc. Only full papers can be submitted via e-mail to organizers@exrima.org. The deadline for submissions is March 30, 2025. Decision letters will be sent by April 15, 2025. The participation fee including lunch, coffee breaks, and conference dinner is 200 €. Non-presenters are welcome and can register via e-mail to organizers@exrima.org. The number of attendees is, however, limited.
