2nd *ACCOUNTING FORUM* CONFERENCE

June 2-3, 2026

**Bucharest University of Economic Studies
(Academia de Studii Economice din Bucuresti – ASE)
Bucharest, Romania**

The Bucharest University of Economic Studies (Academia de Studii Economice din Bucuresti – ASE) is pleased to host the 2nd *Accounting Forum* Conference on **June 2-3, 2026**.

[Accounting Forum](#) focusses on advancing the interdisciplinary and global connection of accounting research. Through our conference, we aim to promote greater understanding of the role of business and accounting in the global environment, and provide a forum for the intellectual exchange of academic ideas and research in accounting and related areas.

Attendees will include academics, practitioners and PhD students at all levels of experience, and involved with all aspects of theory and practice in accounting and related disciplines. The conference will be open to submissions **from across the broad spectrum of accounting research**.

Submissions will be open at the end of 2025 or early 2026.

Emerging Scholars Colloquium (June 1, 2026)

The [Accounting Forum](#) Conference will be preceded by an Emerging Scholars Colloquium. The Colloquium aims at introducing **emerging scholars**, including PhD students and early career researchers, into the accounting research community and providing them an opportunity to present and discuss their research projects alongside a cohort of distinguished international academics. We strongly recommend that PhD students (and early career researchers) submit their papers to the Colloquium.
